The economy of the State of New York is reflected in its gross state product in 2017 of \$1.607 trillion, ranking third in size behind the larger U.S. states of California and Texas. If New York State were an independent nation, it would rank as the 12th or 13th largest economy in the world, depending upon international currency fluctuations. However, in 2013, the multi-state, New York City ...
