Hungary is well on its way to becoming a model illiberal democracy, despite membership in the European Union. The vast majority of countries that became democratic in the third wave of democratization and thereafter are electoral rather than liberal democracies today.

### **Is Liberal Democracy Feasible in Developing Countries?**

However, with both types of referenda, there is a potential danger that direct democracy will sanction something undemocratic, illiberal, or unjust. Amendment referenda potentially involve removal of limits on power, minority discrimination, decline of individual rights, or removal of checks and balances.
