Introducing Economics A Graphic Guide 3 - 5 working days From Seller/Antiquarian David Orrell's Introducing Economics: A Graphic Guide is a fascinating guide to a subject that really makes the world go round.

Economics Graphic David Orrell - northwestwildlife

This book might be interesting for people well versed in economics, but it shouldn't be marketed as an introduction However, it's more of a history than an introduction. The graphics were either quotes from famous economists or dry humor (read: not helpful for people new to the subject).
