King of Wall Street. His desk was glass and chrome, and the New York sun bled through the opaque blinds, trying without success to thaw the frost that penetrated the room. I hated it. Every time I entered the place I had the urge to flash my bra or graffiti the walls in bright red lipstick. It was the place fun came to die.

world. Wall Street was in the midst of a raging bull market, and freshly minted millionaires were being spit out a dime a dozen. Money was cheap, and a guy named Michael Milken had invented something called "junk bonds," which had changed the way corporate America went about its business. It was a time of unbridled greed, a time of wanton excess.
