The Psychology of Security. I just posted a long essay (pdf available here) on my website, exploring how psychology can help explain the difference between the feeling of security and the reality of security.. We make security trade-offs, large and small, every day. We make them when we decide to lock our doors in the morning, when we choose our driving route, and when we decide whether we're ...

Thanks for this essay! I think there is a strong age component in canon reading. In high school (German Gymnasium), I only took a basic course in German literature, which included shorter works from the 18th-20th century, and a few 20th century novels (I remember Professor Unrat by Heinrich Mann and Homo Faber by Max Frisch, both of them very good choices for teenagers!), while some of my ...
