Education in Malaysia is overseen by the Ministry of Education (Kementerian Pendidikan). Although education is the responsibility of the Federal Government, each state and federal territory has an Education Department to co-ordinate educational matters in its territory. The main legislation governing education is the Education Act 1996.. The education system is divided into preschool education ...

The United Nations Millennium Development Goal 2 was to achieve universal primary education by the year 2015, by which time their aim was to ensure that all children everywhere, regardless of race or gender, will be able to complete primary schooling.. Due to the fact that the United Nations specifically focused on Sub-Saharan Africa and South Asia, as they are both home to the vast majority ...
