

pediatric and adolescent gynecology pdf

Adolescent medicine or hebiatrics is a medical subspecialty that focuses on care of patients who are in the adolescent period of development. This period begins at puberty and lasts until growth has stopped. Typically, patients in this age range will be in the last years of elementary school up until high school (some doctors in this subspecialty treat young adults attending college at area ...

Gynaecology or gynecology (see spelling differences) is the medical practice dealing with the health of the female reproductive systems (vagina, uterus, and ovaries) and the breasts. Outside medicine, the term means "the science of women". Its counterpart is andrology, which deals with medical issues specific to the male reproductive system.. Almost all modern gynaecologists are also ...
