The Power of Infographics: Using Pictures to Communicate

Expert power is an individual's power deriving from the skills or expertise of the person and the organization's needs for those skills and expertise. Unlike the others, this type of power is usually highly specific and limited to the particular area in which the expert is trained and qualified.

Power (social and political) - Wikipedia

Today, like never before, people are talking about clean energy, innovation and the environment we share. We welcome the conversation - and have a responsibility to lead it.
